SUBJECT.

Private charities founded by one Basavaiah.

From

The Deputy Commissioner, Mysore District.

No. 457 dated 28th February 1906

On the 3rd August 1895 one Chicka Basammayya a lady of the Lingayat caste executed a registered Trust Deed assigning Rs. 800 in cash and one-fourth of the Sarvamanya village of Uttara-halli in the Mysore Taluk (which had been purchased by her at a court sale) for the purpose of feeding some Lingayet students in the Mysore City and appointing Trustees to conduct the said charities. The conditions laid down in the Trust-Deed were that the sum of Rs. 800/- should be utilized for purchasing a house for the students and that

the income derived from the one-fourth part of the village including the Abkari Revenue should be set apart for the feeding of the said students. The Trustees Gurikar Basavalingappa and 6 others appear to have accordingly conducted the charities purchasing a house for the purpose in the Uttaradi Matt street in the Mysore City. On the 29th May 1897 however the said Chicka Basammiah presented a potition to the late Muzrai Superintendent complaining that the Trustees did not conduct the charities properly and stating that she had obtained their consent to transfer the management to Govt. and praying therefore that the properties assigned by her be taken over under Govt management after the death of herself and of Narasimha Pandita both of whom should constitute themselves as new managers of the charities. This however did not come into effect.

2. She appears to have adopted one Sroocantappa her brother's first wife's son as her foster son

(ಶ್ರೀ ಕೆ ಶಂ ಸ್ವ) to whom she willed all her property after her death. In the will dated the 13th September 1897 she stated that out of the debt of Rs. 4000 due to her by Sheristedar Sannu Rao of Chennarayapatna Rs. 2000 should be paid for the Annachattram established by her. A few days after the execution of this will she appears to have died and the charities are said to have been continued to be managed by Attigodu Basappa and other Trustees originally appointed by her.

3 In 1898 the Deputy Commissioner recommended that the one-fourth part of the village in question might be taken over by Government the management of the charities being however continued to be entrusted to the Trustees, But Sreecantiah the foster son and his father Madiah having objected to the proposed interference by Govt the Deputy Commissioner was asked to consult them on the point. From the records now received it is observed as follows:-

File No. of 190 Muzrai Secretariat.

(i) That the charity was conducted by the Trustees till the 25th July 1899 when it was stopped the cash payments not having been delivered to the Trustees by the Shanbhogue and Patel for Hevilambi and Vilambi and the income from the one-fourth part of the village for the 3 subsequent years having been credited to Government on account of water cess &c due by the Inamdars.

(ii) that a portion of the house used as Annachattram is in a disrepaired condition.

(iii) that there are no students at present and no establishment maintained.

(iv) that the sum of Rs. 2000 allotted out of the total amount of debt due by Sannu Rao has not yet been ~~recovered~~ paid and that it the payment of ~~which~~ is being evaded by Sreecantiah for some reason or other.

(v) that one of the two Takrardars viz Madiah has since died and (vi) Puttu Kusachar who Hari Sanjeeva Vedavyasachar alias styles himself as the Inamdar of the Uttanahalli village and who is also a shareholder that object d

to the management of the one-fourth part of the village being taken over under the management of Govt has since agreed to pay a permanent lease amount of Rs. 175 to the Trustees annually for Basammiah's portion of the village plus the Abkari revenue on account of that portion.

4 The desire of the Trustees is that ~~the~~ Govt should make arrangement regarding the lease ~~enter into the lease~~ and pay them the amount in order to conduct the charities. The -- Assistant Commissioner Mr. C. Krishna Rao and the Deputy Commissioner Mr Sparkes both recommend the request of the Trustees for favourable consideration of Govt. It is further stated that by this arrangement the management of the entire village will remain with Sanjeeva Vedacyasachar who will then have no further complaint and that "Sreecantiah is said to have no claim to this property" ~~as stated in the Trustees petition dated 11th July 1905~~.

File No. of 190 Muzrai Secretariat.

5 If the above recommendation is sanctioned the Deputy Commissioner states that Sanjeeva Veda-vyasachar will be called upon to produce before the Amildar the amount of the pormanent ~~bace~~ lease and the Abkari revenue every year at the Revenue collection time, for payment to the Trustees.

6. Except the statement of the Trustees that Sreecantiah has no claim there is nothing else in the record to shew that he has no voice. He has not only presented petitions against the alleged mis-management of the charities by the present Trustees whom he wants to be removed but also given a written statement before the Amildar of the Mysore Taluk on the 6th February 1903 that if the Trustees were re-moved and the management of the charities entrusted to him he would conduct them, and that he was not will-ing to hand over to Govt the management of the chattra and the portion of the village in question.

The Trustees have submitted a stat -

of income and expenditure in connection with

the charities from August 1903 to the end of ---- September 1903 from which it is seen that the total amount received by them during the period was Rs. 2115-5-7 and the expenditure was Rs. 1909-12-7 leaving a balance of Rs. 205-9-0 in -- their hands.

Muzrai Secretary's remarks.

There are several hissedars of the village and Basammiah is one of them as she purchased ½ of the village. Sanjeeva Varadyasachar, who offers to pay annual a permanent lease of Rs 175 for the ½ part of the village plus the Abkari revenue for that portion is not willing that the Govt should in any way interfere with the management of that portion of the village.

Sreekantiah the foster son of -- Basammiah in whose favour a will has been made by the donor is also unwilling to entrust to the Govt

File No. of 190 Muzrai Secretariat.

the management of the charities or of the portion belonging of the village to Basammiah. The chief reason of the for Trustees asking the Govt to enter into the lease is to ensure payment of the lease amount to them, but it is not clear how Govt can help them when there are objections as stated above.

Under all these circumstances I am of the humble opinion that the Govt should decline to interfere and take over the management. It is not desirable for Government to take up the management of an institution which involves possible litigation.

Second Councillor's remarks:-

× Please enter name here

I had the parties × at Mysore before me on the 11th Instant and heard them. The Muzrai Secretary was also present. Sreekantiah, the foster son of Basammiah who had put in objection petitions to Govt did not now object to the Charities being conducted by the Trustees. What he wanted was that he should also be one of the Trustees. There seems to be no objection to appointing him a Trustee. The other trustees who were present, Viz, Mallaradhya, Mallappa and Siddappa also agreed to this. There are only 6 Trustees now but the Trust Deed executed by Basammiah provides for 7. Sreekantiah may therefore be appointed by the Trustees to be one of their number to make up the full complement.

The Charities may be taken over under the Govt. managament, and the arrangements proposed by the Deputy Commissioner approved.

As regards the sum of Rs.2000/-

referred to in page 3 of this note, Sreekantiah, who is, under the will, bound to pay this amount for the benefit of the Charity, should take immediate and active steps for its recovery and payment to the Trustees. As he represents his inability to conduct the needful litigation at his own cost, he may be permitted to deduct the Court costs which may be incurred by him so far as they relate to the above mentioned sum of Rs.2000/- and pay only the balance for the benefit of the Charities. He has thankfully accept ed this concession and has promised to take early steps in the matter.

Vedavyasa Char, who manages the whole village, expressed his willingness to abide by the terms of the Mutchalika executed by him and pay Rs.175/- per annum as also the share of the Abkari amount which becomes due every year. These amounts should be regularly collected by the Amildar and paid to the Secretary to the Trustees(Mr. B. Mallappa)

Muzrai Secretariat. File No. of 190

I understand that there are now 12 students receiving help from the Trustees by means of scholarships ranging from 1 to 3 Rs. per mensem. This ~~system~~ system of scholarships may continue for the present until the Trustees are able to accumulate sufficient funds for feeding the students.

It seems the Trustees have Rs. 735/- in the Mysore District Savings Bank on behalf of the Charity and Rs. 153/- are still due to them from the Taluk Cutherry. The latter amount may be paid to Mr B. Mallappa

It was represented to me that the house purchased by the Trustees in the Uttaradi Matt street in the Mysore City on account of the Charity is in a dilapidated condition and is in an insanitary locality, and that permission may be given for selling it. I told the gentlemen present to get the opinions of the whole body of the Trustees and submit the matter for the orders of the Government.

Order thereon :-

The facts of the case are as follows :-

On the 3rd August,

No. 2508-9 81
12. XI. 06.
Encl. Two files

one Chikka Basamma h,
a lady of the Lingayet caste,
executed a registered Trust
deed, assigning Rs 800/- in cash
and one-fourth share of the
Sarvamanya village of Uttana-
halli in the Mysore Taluk
which had been purchased
by her at a Court sale, for
the purpose of feeding Lingayet
students in the Mysore City,
Gavikar Basavalingappa and 5 others, as
and appointing Trustees to
manage the said charities.
The conditions laid down in
the Trust Deed were that the
sum of Rs 800/- should be
utilised for purchasing a house
for the accommodation of Lingayat
~~the~~ students, and that the
income derived from the one-fourth

share of the village, including the Abkari revenue, should be set apart for the feeding of the said students. The trustees appear to have conducted the Charities in accordance with the Trust Deed, purchasing a house for the purpose in the Sri Uttaradi Matt street in the Mysore City. On the 29th May 1897, however, the said Chikka Basaumniah presented a petition to the late Mysore Superintendent, complaining that the Trustees did not conduct the charities properly and stating that the had obtained their consent

to transfer the management thereof to Govt, and praying therefore that the properties assigned by her be taken over under Govt management, after the death of herself and of Narasimha Pandita, both of whom would constitute themselves as the new managers of the Charities. This last proposal, was not, however, carried ~~did not come~~ into effect.

2. Subsequently, Chikka Basammiah appears to have adopted one Sreecantappa, her brother's first wife's son, as her foster son and bequeathed to him all her properties, under a will executed by her under date the 13th September 1897.

~~The Charity endowments~~ also formed part of the properties thus bequeathed, ~~by her will, and it was~~ further - It was directed ~~the testator~~ therein that out of a debt of Rs 4,000/- due to her by one Sheristadar Samma Rao of Chennapatna, Rs 2,000/- should be paid for the Annapathram established by her. A few days after the execution of the above mentioned will, Chikka Basammiah ~~of the~~ ~~house~~ died and the ~~two~~ charities were ~~being~~ Continued to be managed by the trustees originally appointed by her.

3 The Deputy Commissioner

of the Mysore District to whom ~~the~~ Basamma's petition of the 29th May 1897 ~~and~~ ~~papers~~ ~~factum~~ ~~Taddaig~~ mentioned in para 1 above, had been referred, recommended in April 1898 that the one-fourth share of the village in question might be taken over by Govt as desired by the petitioner the management of the Charities being however continued to be entrusted to the trustees.

But Sreecantaiya ~~and his father~~ on the one hand ~~made~~, objected to Govt ~~interference~~ ~~in their management~~ ~~of the Charities~~, and one Sanjeeva Kavyasachar alias Puttu Kusachar, Mandar of

the Uttamacha le village
on the other, objected to
Govt interference in the
management of the Church
and of the ~~lands~~ one-fourth
share of the village, respectively.
From the records it
appears that the charities were
conducted by the original
trustees till the 25th July
1899, when it was stopped
~~the cash & paraphernalia not having~~
~~been delivered to the Trustees~~
~~by the Shanbhogue and Patel~~
~~of the village~~ owing to the
income from the endowed
lands for the years Hevilambi and
Vilambi not having been
delivered to the Trustees by the Shanbhogue
and Patel of the village
~~to the Trustees~~

but having been credited to
Govt on account of water-cess re
due by the Inamdars. The ~~The~~ ~~Advocate~~ ~~General~~ ~~of~~ ~~Madras~~
~~trustees~~ pray that due
arrangements may be made
by Govt regarding the lease
of the ~~lands~~ endowed lands
and the payment of the
rents to them for the purpose
of conducting the charities.
The Deputy Commissioner in
reports, stating that the said Inamdar Kanjeeva
Vedavyasaphar, has since agreed
to pay a permanent lease
amount of Rs 175 a year to the
trustees for Basammah's
portion of the village plus
the Abkari revenue on ~~that~~
account of that portion,
and recommends that the endowed lands leases

may be given out to him out
that
lease and the lease amount
by
now collected by the Amildar
every year
and paid to the trustees.
In view to bring about a satisfactory settle-
ment of the question,
Sreecantappa,

the trustees of Basavanniah's
Sri Kantappa, adopted son of Basavanniah,
charity, and Sanjeeva
Vedavyasachar alias Puttu
Krisachar were sent for
and heard by Govt at
Mysore on the 11th October
1906. During the hearing
who had put in objection petition,
Sreecantappa expressed no
objection to the charities
being conducted by the
existing trustees, but desired
that he should also be
made a trustee. The trustees
who were present, viz Mallaradhya-
Mallappa and Siddappa

agreed to his being made a ~~trustee~~ trustee in addition to the trustee. Vedavyasachar, who manages the whole village of Uttanahalli, expressed his willingness to abide by the terms of the muchilika executed by him and to pay Rs 175/- per annum, as also the share of the Abkari amount becoming due every year.

6. Under the foregoing circumstances, the Govt are pleased to direct that the charities established by Basammiah at Mysore be taken over under Govt management. The internal affairs of the charities will however continue to be managed by

the Trustees 11
under the general supervision of the Amildar and
monthly accounts thereof regularly subd to the Talluk
~~the Trustees~~. There are at present

6 Trustees, but as the Trust

Deed executed by Basamniah

This system, ~~the Govt direct~~ may be continued for the present until the trustees are able to accumulate sufficient funds for the feeding of the students.

10. It was represented that the Trustees had Rs 735/- in the Mysore Bank on behalf of the charity and that Rs 153/- were still due to them from the Taluk authority. The latter Deputy Commissioner is requested to issue instructions to the Amildar of Mysore to draw the latter amount and pay it to the Secretary Mr B. Mallappa as invested on behalf of the Charity.

On the 3rd August 1895, one Chikka Basammaiya, a lady of the Lingayet caste, executed a registered trust deed assigning Rs. 800 in cash and one-fourth share of the sarvamanya village of Uttanahalli in the Mysore Taluk which had been purchased by her at a Court sale for the purpose of feeding Lingayet students in the Mysore City and appointing Gurikar Basavalingappa and five others as trustees to conduct the said charities. The conditions laid down in the trust deed were that the sum of Rs. 800 should be utilized for purchasing a house for the accommodation of Lingayet students and that the income derived from the one-fourth share of the village, including the Abkari revenue, should be set apart for the feeding of the said students. The trustees appear to have conducted the charities in accordance with the trust deed, purchasing a house for the purpose in the Sri Uttaradi Matt street in the Mysore City. On the 29th May 1897, however, the said Chikka Basammaiya presented a petition to the late Muzrai Superintendent, complaining that the trustees did not conduct the charities properly and stating that she had obtained their consent to transfer the management thereof to Government and praying therefore that the properties assigned by her be taken over under Government management after the death of herself and of Narasimha Pandita both of whom would constitute themselves as the new managers of the charities. This last proposal was not however carried into effect.

2. Subsequently Chikka Basammaiya appears to have adopted one Sreekantappa, her brother's first wife's son, and bequeathed to him all her properties under a will executed by her under date the 13th September 1897. It was directed therein that out of a debt of Rs. 4,000 due to her by one Sheristadar Sannu Rao of Channarayapatna Rs. 2,000 should be paid for the annachattram established by her. A few days after the execution of the above mentioned will, Chikka Basammaiya died and the charities were continued to be managed by the trustees originally appointed by her.

3. The Deputy Commissioner of the Mysore District to whom Basammaiya's petition of the 29th May 1897, mentioned in para 1 above, had been referred, recommended in April 1898 that the one-fourth share of the village in question might be taken over by Government as desired by the petitioner, the management of the charities being however continued to be entrusted to the trustees. But Sreekantappa on the one hand and one Sanjeeva Vedavyasachar *alias* Puttu Kusachar, Inamdar of the Uttanahalli village, on the other, objected to Government interference in the management of the charities and of the one-fourth share of the village respectively. From the records it appears that the charities were conducted by the original trustees till the 25th July 1899, when it was stopped owing to the income from the endowed lands for the years Hevilambi and Vilambi not having been delivered to the trustees by the shanbhog and patel of the village but having been credited to Government on account of water cess, etc., due by the Inamdars. The trustees pray that due arrangements may be made by Government regarding the lease of the endowed lands and the payment of the rents to them for the purpose of conducting the charities. The Deputy Commissioner reports that the said Inamdar Sanjeeva Vedavyasachar has since agreed to pay a permanent lease amount of Rs. 175 a year to the trustees for Basammaiya's portion of the village *plus* the Abkari revenue on account of that portion and recommends that the endowed lands may be given out to him on lease and that the lease amount be collected by the Amildar and paid to the trustees every year.

4. In view to bring about a satisfactory settlement of the question the trustees of Basammaiya's charity Sreekantappa adopted son of Basammaiya, and Sanjeeva Vedavyasachar *alias* Puttu Kusachar were sent for and heard by Government at Mysore on the 11th October 1906. During the hearing Sreekantappa, who had put in objection petitions, expressed no objection to the charities being conducted by the existing trustees but desired that he should also be made a trustee. The trustees who were present, *viz.*, Mallaradhya, Mullappa and Siddappa agreed to his being made a trustee. Vedavyasachar, who manages the whole village of Uttanahalli, expressed his willingness to abide by the terms of the mutchalika executed by him and to pay Rs. 175 per annum, as also the share of the Abkari amount becoming due every year.

5. Under the foregoing circumstances the Government are pleased to direct that the charities established by Basammaiya at Mysore be taken over under Government management. The internal affairs of the charities will however continue to be managed by the trustees under the general supervision of the Amildar and monthly accounts thereof regularly submitted to the taluk. There are at present six trustees but as the trust deed executed by Basammaiya provides for seven, Sreekantappa will, as desired by him, be appointed an additional trustee to make up the full complement. The Board of Trustees as thus constituted will consist of—

(1) Mr. Mallaradhya
(2) „ Attigodu Basappa
(3) „ Gurubasappa, son of Rachappa
(4) „ Nanjundappa of Nanjangud
(5) Mr. T. M. Siddappa
(6) „ Sreekantappa, foster son of Basammaiya
(7) „ Mallappa, Secretary.

6. The Deputy Commissioner is requested to issue needful instructions to the Amildar of the Mysore Taluk to collect the gutta amount of Rs. 175, together with the Abkari revenue of the one-fourth share of the Uttanahalli village from Vedavyasachar regularly every year and pay the same to the Secretary, Mr. B. Mallappa, on behalf of the charities.

7. As regards the sum of Rs. 2,000 payable to the charity under Basammaiya's will, Sreekantappa is bound to take immediate and active steps to recover the amount from the said individual and pay it to the trustees. As Sreekantappa, however, represented before Government his inability to conduct the needful litigation at his own cost permission has been granted to him and accepted by him thankfully to deduct the Court costs which may be incurred by him so far as they relate to the above mentioned sum of Rs. 2,000, and to pay the balance for the benefit of the charities. He should be directed to take early steps in the matter and a report on the result of the suit submitted for the information of Government.

8. The Government are informed that there are now twelve students receiving help from the charity in the shape of scholarships ranging from Re. 1 to Rs. 3 per mensem. This system may be continued for the present until the trustees are able to accumulate sufficient funds for the feeding of the students.

9. It was represented that the trustees had Rs. 735 in the Mysore District Savings Bank on behalf of the charity and that Rs. 153 were still due to them from the Taluk Cutcherry. The Deputy Commissioner is requested to issue instructions to the Amildar of Mysore to draw the latter amount and pay it to the Secretary, Mr. B. Mallappa, to be invested on behalf of the charity.

10. It was also represented that the house purchased by the trustees in the Uttaradi Matt Street was in a dilapidated condition and situated in an insanitarily locality and that permission might be given for selling it. The Deputy Commissioner is requested to inform the trustees that the opinions of the whole body of the trustees may be obtained and submitted through the local officers for the orders of Government.

Secretary to the Government of
Mysore, Muzrai Department.

Sir,

Adverting to Government Proceedings No. 2508-9 / Muz 68-1904 dated 12th November 1906 passing orders in the matter of taking over under Government management the charities founded by one Chicka Basammiah in the Mysore city together with their endowments, I have the honor to state that Mr. Mallappa, Secretary, is reported to have died on 22.3.07. The Board of Trustees after convening a meeting have passed a resolution to the effect that Mr. Attigodu Basappa should, in future, be the Secretary and that Mr. Chikka Mallappa son of the deceased Secretary Mr. Mallappa should be appointed a member in place of Mr. Attigodu Basappa. It is therefore requested that Government may be pleased to accord their sanction to the above two nominations.

2. Guru Basappa son of Rachappa

referred to in para 5 of the Government Proceedings quoted above is reported to have never been a member and that the name of Mr. B. Mallarudhya, pleads who was a member, has been omitted. It is suggested by the new secretary that Mr. B. Mallaradhya's name be substituted for Mr. Guru Basapp's. I therefore solicit the favour of orders.

3. In the matter of the payment of the amount to the new Secretary referred to by the Sub Division Officer, I beg to state that in view to conduct the charities the Amildar of the Mysore Taluk has been directed to make necessary payments to the Secretary in anticipation of Government sanction after obtaining from the Secretary necessary accounts &c.

4. The file of papers bearing on the subject received with the Sub Division Officer's Yadi No. 818/1000 dated 13.6.07 is herewith submitted for reference.

I have the honor to be,
Sir
Your most obedient servant,
